WINEGROWING NOTES

Grown in RSV's certified organic and Biodynamic vineyards, Aries Pinot Noir is the "Village" level wine of RSV's Pinot Noir program. Comprised of fruit from young vines and the more open, fruit-forward selections, Aries is the friendliest of RSV's Pinot Noir line-up. Every year RSV makes thirty-two lots of Pinot Noir, each corresponding to a small parcel of vineyard. Invariably there are a few delicious lots are too luscious at a young age to be a part of the other, more age worthy blends. These lots come together to create Aries Pinot Noir. Blending decisions take place late in the game at RSV, so the same care and investment goes into Aries as all RSV wines. All the grapes are entirely from RSV's own certified organic and Biodynamic vineyards in the Carneros. Additionally, and perhaps most importantly, the wine is not made to fit a preconceived notion of a commercial wine but rather smells and tastes like classic Pinot Noir. This makes Aries an exceptional value. It is a pure and true wine of place.

TASTING NOTES

This Pinot Noir proudly exhibits a translucent, ruby color; a hallmark of pure, unadulterated Pinot Noir. Aromas and flavors of brilliant strawberry and cherry with hints of earth, tea and spice. It has a supple, sensual texture that fills the mouth, yet finishes with a bright, mouth-watering finish that says, "Feed me!"

FINE WINES. ORGANIC VINES.
