

ROBERT SINSEY VINEYARDS

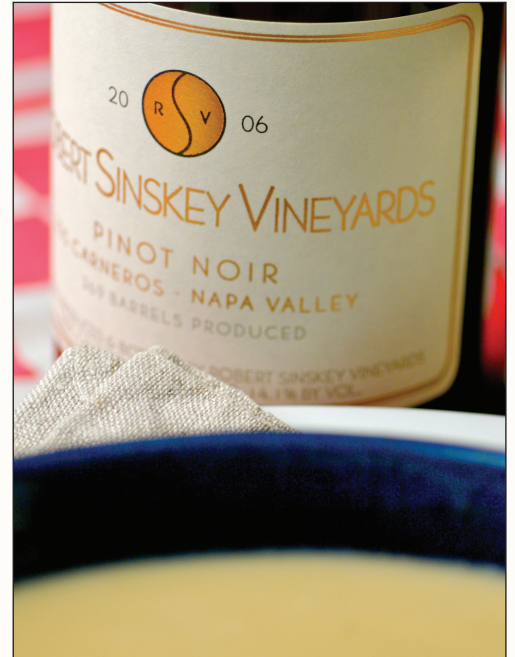

PINOT NOIR

Los Carneros, Napa Valley, 2006

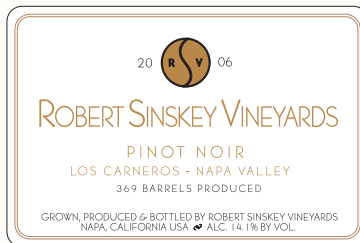

WINEGROWING NOTES:

RSV has been planting vineyards in the Carneros for twenty five years. Chronologically from oldest to youngest, they are: Three Amigos, Vandal, Capa, OSR and Scintilla. They span the Carneros from the most northern to the most southern, and a few points in between.

Each vineyard is then divided into subsections, or blocks, by anything that might make a block distinctive, be it soil, vine selection, exposure or farming methodology. Each one of these vineyard blocks is farmed, harvested, fermented and aged separately. It is not until six months after harvest that the wine from the individual lots are analyzed and initial selections made for each cuvee. The Robert Sinskey Vineyards Los Carneros bottling of Pinot Noir is a lot-by-lot selection from all five of the RSV vineyards blended to create a classically structured wine with elegant fruit and complex character. Meant to be yummy while young, yet still have the ability to age gracefully for up to five years, it is the wine you drink while waiting for the Perfect Circle wines to reach their full potential.

**RSV'S VINEYARDS ARE CERTIFIED ORGANIC,
THIS YEAR THEY ARE
DEMETER CERTIFIED BIODYNAMIC!**

TASTING NOTES:

Friendly aromas of sun-ripened cherry, blood orange and pie spice balanced by darker notes of forest floor and spice tea. The wine is precocious on the palate with tightly knit flavors of cranberry, raspberry and orange zest that wax more vibrant and expansive as the wine breathes. Its well balanced, gregarious nature makes it a perfect dinner companion.
