

# ROBERT SINSEY VINEYARDS

## ARIES PINOT NOIR

Los Carneros, Napa Valley, 2006

### WINEGROWING /TASTING NOTES:

Each year RSV makes thirty-two lots of Pinot Noir, each corresponding to a small patch of vineyard. After crafting the blends for RSV's Carneros, Four Vineyards and single vineyard bottlings, invariably there are a few delicious odds and ends that don't fit entirely into the main blends. These come together to create Aries Pinot Noir. Blending decisions take place after all the money's been spent, so the same care and investment goes into Aries as the main label wines. As is true of all RSV wines, there's no purchased fruit in the bottle; the grapes that become Aries are entirely from RSV's own certified organic and biodynamic vineyards in Carneros. Additionally, and perhaps most importantly, the wine actually smells and tastes like Pinot Noir, an increasing rarity, especially at this price point. All of the above makes Aries Pinot Noir an exceptional value.

Berry, cherry and spice aromas beckon from a freshly opened bottle before you even have time to pour. Delicate but brilliant ruby color allows the eye through; honest Pinot Noir should. Opaque Pinot should rouse suspicion. Woven into the sensual texture the Pinotophile craves are raspberry and black cherry fruit accented by clove, vanilla and cinammon. (59 barrels produced)

**RSV'S VINEYARDS ARE CERTIFIED ORGANIC, THIS YEAR THEY ARE  
DEMETER CERTIFIED BIODYNAMIC!**
